## A message about the upcoming renovation project from our Board President, Marshall Fogel

The Board of Directors has selected a General Contractor for Phase One of our Renovation project! Details will follow once the contract is signed, hopefully within a week. We also anticipate receiving building permits within the next few weeks. We expect to break ground within a month, with project completion 4-5 months later. Transition planning is also moving ahead smoothly. Again, details will follow after contract signing. The Board thanks the Renovation Committee and the Transition Task Force for their dedicated and excellent work!

## Memoir Writing Group

The 2<sup>nd</sup> Thursday of the month from 10:00 to 11:30 starting October 11<sup>th</sup> in the Common Room at Chalice

**CONTACT:** Alice D. for more information [no contact info in public website].

**SUGGESTED TOPIC:** What are your family "legacies"? For instance, have you "inherited" a sense of humor, a love of music, sports, good literature, devotion to family, interest in politics, religion, great food? Feel free to select another topic if you prefer.

**Cancelled Event** - The picnic planned for October 21 has been cancelled. The preferred site for the picnic is unavailable.

## Racial Justice Film - Please note date change

The next Racial Justice Film will be shown on Saturday, October 27 at Chalice from 6 to 9 pm (instead of Sunday, Oct. 21)

What will a mother sacrifice for her son? The next Racial Justice Film explores this question, during the civil war in El Salvador. Join us on Saturday October 27 from 6-9 pm to eat pizza, watch *Innocent Voices*, and discuss this excellent film. (Spanish with English subtitles)

## **What about the roses?**

As we are looking toward our construction project, we are aware that our roses in the front of the building may not survive the excitement. If you would like a rose bush from Chalice, please come by with shovel and pail. We understand that people love these roses, and if you would like to bring one to your home for new life, you are invited to do that. The best time to do this would be toward the end of October or early November. We will let everyone know when we have a more definitive start date for construction.

## **Procedure on Hosting or Advertising an Event as a “Chalice Event” August 2018, Coordinating Team**

In order for an event to be considered an official Chalice Event and advertised as such, it must be officially approved by any one of the following: a Chalice Executive Staff member, the Coordinating Team, or the Board of Trustees.

If approved by anyone other than the Coordinating Team, the Coordinating Team should be notified so that scheduling for the event can be worked out appropriately.

## **New (Temporary) Location for Zen Meditation Group:**

Al Zolynas has a new location for the Zen Meditation classes on Thursday mornings, and Sunday afternoon. Starting Thursday, October 11 the class will meet at the Sunset Chiropractic & Wellness Center at 1900 Sunset Drive #J in Escondido. Their plan is to return to Chalice once our building is ready.
