HUMANITARIAN CRISIS AT THE BORDER

UU's of San Diego have united to support the work of the San Diego Rapid Recovery Network (SDRRN). When asylum seekers leave the shelter, many travel on Greyhound for days to their sponsors all over the country. We will collect new or gently used sturdy adult backpacks for their journey. These were requested by the SDRRN and they will be delivered by the UU cluster. Cash donation for the shelter will be collected on our monthly social justice Sunday April 28. Please bring backpacks to the Sunday services at TAS throughout April and leave them outside the front door under the special sign.

Thank you for helping to provide some dignity while these immigrants complete their journey.

Are you enjoying Sunday refreshments after our service?

It seems most do, as every Sunday there is nothing left. We have a faithful team that provides these goodies for the past few years. We could use some new people on our team. It is an easy job and Chalice does reimburse us for our expenses. If you would like to join our team, please contact Kathy F. *[Contact info removed for public edition]*

New Coordinator for Circle Suppers

Emily T. has graciously offered to be the new Circle Supper Coordinator/contact person starting this month, April. Circle Supper dinner will be April 20. Please RSVP to Emily at *[Contact info removed for public]* by April 10 to be included in a group. Thank you Emily!

Join our new Facebook group!

We have created a new Facebook group called "Chalice UUC Social Group: Caring and Sharing (No Politics!)" for Chalice members and congregants who regularly attend or participate at Chalice. The group is for fellowship among Chalice congregants. It is particularly created to help congregants share about non-Chalice social and arts events that may be of communal interest. Political news and debates are not allowed; information about local marches and protests are permitted if the poster is attending and looking for others to join in. You can find the group at www.facebook.com/groups/chalicesocial

Looking Ahead:

This month Chalice serves at [Haven House](#) on Thursday, April 18. Please see the Newsletter for more details.

Trail Work is scheduled for Saturday, April 27. Celebrate the Earth, pull weeds. Contact Paul C. *[Contact info removed for public]* to be on the list and learn the location and other details.
