## Transportation Team

Chalice needs volunteers to help congregants who cannot drive. We will assist driving people to Sunday services, Chalice activities, medical appointments, to the grocery store or pick up medicines. In the past there hasn't been a great need for this service but we want to be there when the need arises. If this is one way you can be of service to Chalice please contact: Kathy F. [contact info not for public]

## Are you enjoying Sunday refreshments after service?

It seems most do, as every Sunday there is nothing left. We have a faithful team that provides these goodies for the past few years. We could use some new people on our team. It is an easy job and Chalice does reimburse us for our expenses. If you would like to join our team, please contact:

## Backpacks for the Humanitarian Crisis at the Border

UU's of San Diego have united to support the work of the San Diego Rapid Recovery Network (SDRRN).

Please bring backpacks to the Sunday services at TAS throughout April and leave them outside the front door under the special sign. Thank you for helping to provide some dignity while these immigrants complete their journey.

## Environmental action by Chalice: April 27 trail work to assist the San Dieguito River Park (SDRP)

With all of the rain we have had this year there has been tremendous growth throughout the park—which is great. But the grasses are quickly overwhelming the trails we love to use. On April 27 from 0900-1200 we are organizing Chalice trail work on the SDRP. The work is open for kids and adults and will clear a section of the Coast to Crest trail—raking, digging, scraping, etc. The SDRP will provide a ranger as well as all of the equipment necessary. If you and family are interested in joining please email me Paul C. [contact info not for public].
