Meeting at Chalice

Just because we are able to start worshipping at Chalice on the weekends does not mean our project is finished. In particular, the new building is not finished and not available to us for use. Our contractor anticipates we will be able to use the new building sometime around the second week of September.

We also do not have internet connection at Chalice. Electricity is on in the Chapel and the Fellowship Building.

We are just this weekend allowed to start using the chapel in the late afternoon and evening, AFTER contractors have left for the day. We need to be considerate, and also not do anything that could cause our job to fail an inspection or be delayed.

Please contact the Office Administrator, Paula Gonzales, to talk about where and when your group will start meeting at Chalice. The Chalice phone (760) 737-0393 forwards to her cell phone (619) 339-2832, or you can email her at ChaliceUUC@gmail.com.

Our New Director of Family Ministries!

Chalice member Chris O'Connor has been hired to be our new Director of Family Ministries.

Chris has 27 years experience as a teacher for Escondido Union School District. She has a Master of Arts degree in Reading Education, and another M.A. in Museum Studies.

Chris has some travel planned in August, so we will see her stepping into the position on September 1st.

Chair Yoga Announcement:

Monday class: Patty Carlisle started teaching a Monday chair class at Temple Adat Shalom. It is structured very much like the Tuesday class. Like the Tuesday class, this is a donations class (recommended \$2 per class) with the money going to the temple. Class will be in the large room. ***Start time for the Monday class is 11:15.***

Tuesday class: We still don't have a definite date for our move back to the Chalice campus, so we'll continue at TAS until we get word that we can return. That, too, is a donations class with those donations going to TAS during the time we're using their lovely space. ***Start time for the Tuesday class is 10:00.***
