IN THIS ISSUE OF THE E-NUUS

- SDG&E Work on Oct. 15
- Council of Chairs THIS SATURDAY
- Pride by the Beach this Saturday
- We have a bike rack now!
- Parking in our Chalice Lot
- Two Weeks at a Glance

SDG&E plans to work on Miller Avenue on Tuesday, October 15 between 8:30 am and 5:30 pm.

We have been waiting for this news! This is an important step toward us getting our Final (not temporary) Certificate of Occupancy!

That also means there will be no power at Chalice that Tuesday. The office will be closed that day. Evening meetings (Yoga and Women's Book group) should plan to meet in the chapel or kitchen, but otherwise will not be affected. The electricity is expected to be restored before 7 pm. There is (of course) a possibility that the work will have to be postponed due to "weather conditions or unforeseen events".

Council of Chairs Saturday, October 12 10 am to noon in the Blue Room

Council of Chairs meets quarterly to facilitate communication between the groups and activities at Chalice. All committees, teams, groups, task forces, etc. are invited to send a representative to this meeting.

Pride by the Beach, Saturday October 12, 11 am- 5 pm Civic Center Plaza, Oceanside

We will have UU table. If you'd like to help staff this or just come around to say hi to fellow UUs, please contact Liz Young. Her email is: thefouryoungs@sbcglobal.net

Attention Bike Riders!!

Chalice now has a bike rack.
Look for it near the west entrance to the Chapel.

PARKING INFORMATION

We now have eight parking spaces designated for disabled persons. Ours is a private parking lot, and cars will not be subject to ticketing. Our disabled parking will work on an honor system.

We encourage mobility-challenged congregants who may not have a placard to please use the disabled parking spaces when other close parking is unavailable.
